Vendor Testimonial

"I have had such an amazing experience with the team at Bridal Confidential. Whether you are getting married or want to join as a vendor, Bridal Confidential is definitely a community you should join. I have been a vendor since the beginning of my business in 2015, and I wouldn't trade it for anything. Always friendly and willing to help and have definitely helped me reach some of my favourite brides I may not have been able to reach on my own."

Vendor Testimonial

"I cannot begin to say enough good about Bridal Confidential, both as a past bride and as a vendor. A beautiful, easy to use website has been launched and I LOVE it. As a bride it is one of the BEST resources to our local vendors. As a vendor, this is where 90% of my bookings come from. I've always been so impressed with the services from both sides of the contest."
